Message from the Board Chair:

"Attracting qualified staff is always an issue which we believe is province wide. We have experienced a decrease in enrolment which is probably attributed to parents trying to save on tuition costs due to higher grocery bills, carbon taxes, fuel, mortgage costs, etc.

As always, we are grateful for the financial and technical support from Alberta Education."

Respectfully submitted

Gordon C Ferguson, FCVA, FCGA, CFP, CAFM

Board Chair, Slave Lake Koinonia Christian School

Accountability Statement:

The Annual Education Results Report for Slave Lake Koinonia Christian School (SLKCS) for the 2022 / 2023 school year was prepared under the direction of the board of directors in accordance with the responsibilities under the Private Schools Regulation and the Education Grants Regulation. The board is committed to using the results in this report to the best of its abilities to improve students' learning and outcomes. The Board approved this Annual EducationResults Report on November 27, 2023.

Slave Lake Koinonia Christian School Vision and Mission

SLKCS Vision:

Whatever you do, do it all for the glory of God (I Corinthians 10:31)

SLKCS Mission:

Developing spiritual and academic excellence while ministering to a lost and hurting world.

Profile of the School Authority

The Slake Lake Koinonia Christian School (SLKCS) has been operating for 30 years. Since its inception in 1993, the school has seen significant growth in staff and an increased number of student enrolment. The school initially started with grades K-9 operating out of the Abundant Life Assembly Church in 1993. One, month later it was housed at Gloryland, Slave Lake before moving to our existing building at 328 2 St NE, Slave Lake, AB, T0G 2A0.

We continue to have strong parent involvement and serve the community in which we are located.

The building currently houses grades K-12 students. The school enrolment for 2022-2023 was 76 students, which includes 25 students in grades 8-12 who are registered in an online program at North Star Academy. This number was slightly below our enrolment the previous year, in which we had 92 students.

For 2022-2023 we operated with split grade classes – ECS / grade 1 split, grade 2/3 split, grade 4/5 split, and 6/7 split grade 8/9 split and grade 10/12 split. We offer all core courses for grades K-12. We are happy to have our vibrant music program running again.

"SLKCS is a member of AISCA (Association of Independent Schools Colleges of Alberta) and Koinonia Christian Education Society (KCES). Koinonia is a network of Christian schools, from High Level in the north, to Brooks in the south. The Koinonia system is the largest independent school organization in Alberta. The Koinonia schools are discipleship schools, which are available to assist Christian parents in training their children to live Godly lives and impact society for Christ. We embrace the twin goals of academic and spiritual excellence. We exist to educate the whole child, to nourish each person as a child and creation of God. By integrating a Christian Worldview into the curriculum mandated by Alberta Education, we have been impacting the lives of children and families in Slave Lake and surrounding area for 30 years."

Local Societal Context:

SLKCS is a non-denominational school serving our community with faith-based education. The following survey results were from staff, students, parents, and stakeholders; the results of these surveys were used to decide school priorities, and teachers collaborated to develop specific, targeted goals. The board is committed to meeting these obligations and working with staff and parents to understand how these goals are progressing and being met over the next three years. The board is also committed to allocating funds in the budget to provide appropriate supports and professional development.

Comments on Overall Summary:

The SLKCS AERR is prepared under Alberta's Accountability Pillar. The results reflected in this table have been gathered under Alberta's new Assurance Framework; they are aligned with the five domains of the Alberta Education framework. Many of the survey questions were newly introduced to better align with these domains. The Slave Lake Koinonia Christian School results' in these questions were either at, above, or slightly below our previous three-year average.

Spring 2023 Required Alberta Education Assurance Measures - Overall Summary

Source: Alberts Education Assurance Measures, 2023.

The table above shows Slave Lake Koinonia Christian School's overall average when compared with the province's average.

Alberta Education has identified five domains of Assurance to guide schools in planning and reporting as outlined in the Funding Manual 2023/2024. These are:

- Student Growth and Achievement
- Teaching & Leading
- Learning Supports
- Governance
- Local & Societal Context

Slave Lake Koinonia Christian School report will address those areas as outlined above. SLKCS is committed to reporting on these using data collected through Alberta Education and will reporton all required provincial and local measures.

Goal 1: Students' Growth and Achievement

The school enrolment for 2022-2023 was 76 students, which includes 25 students in grades 8-12 who are registered in an online program at North Star Academy. This number was slightly below our enrolment the previous year, in which we had 92 students. The decline in student enrollment can greatly contribute to families choosing to homeschool their children or relocate to another town or province. All the data pertaining to the 2022-2023 school year, shows significant

Comments on Results: Slave Lake Koinonia Christian School has a strong statement of faith. We believe that we are to train up a child in the way they should go. We continue to model and demonstrate to students the characteristics of active citizenship. We work closely with the parents, to ensure that we are consistent with what is communicated to the students. We continue to model positive attitudes and behaviour that exemplify good citizenship to students. We participated in the Operation Christmas Child through the Samaritan's Purse, Christmas box donations aimed at providing gifts to children in need around the world. Parents feel comfortable knowing that their children are safe, as the SLKCS staff model good citizenship for students to emulate daily.

Comments on Results: The 2022-2023 school year was the first year without any COVID restrictions, and as the results from the data shows a significant improvement in student learning engagement compared to the previous two years. We are pleased with our parent engagement, whereby our parents are very involved in their child's learning, which is a true reflection of the continuous support that we receive from our parents. Parent Teacher Interviews are arranged and parents can come in to address any concerns with their child's teacher at any time.

Comments on Results: Slave Lake Koinonia Christian School program of studies overall average shows growth over the past five (5) years. Our average is slightly higher than that of the province. We have continued to provide extra music lessons for families who wish to take advantage of that, but we also have a music program for all students. However, there was a reduction in the level of our program support that we provide. Again, 2022-2023 has seen an overall improvement in this area.

Comments on Results: The number of students who took part in the survey which has affected the results in the student category, is due to students in grades 8 to 12 who are enrolled in the online program provided through NorthStar Academy. The parents in grades 4 to 7 are very satisfied with the accessibility to programs.

Measures 5: School Improvement

Percentage of teachers, parents and students indicating that their school and schools in their jurisdiction have improved or stayed the same the last three years.
